LIONS CHRISTMAS HOME HOSTING

Recently the Lions Club in Mawson Lakes met with the UniSA Mawson Lakes International Students Network and launched an initiative to Home Host Uni Students on Christmas Day through the local Lions Movement, they have been provided with the names of eleven students for this first trial hosting.

Lions are asking to hear from local residents who would like to be involved in hosting a student for Christmas.

The Lions Club plan to use its December Meeting, on 7th December, to introduce

cultural event to mark their formation

By opening your home to a student from another country, your family will be enriched in many ways. Think of your life in everyday terms and consider the things you take for granted. Now imagine looking at your world through the eager eyes of a student from the many countries that attend UniSA.

There are eleven overseas students who have expressed an interest in being involved.

students to hosting families so each come face to face before the event.

The Student Network group wishes to take photos on the night and try to gain an article in both the Messenger and the UniSA magazine as this event is a first of its kind.

The meeting will be in the Primary School Teachers room at 7.15 pm on 7 December and will be as informal as possible.

Lions can be contacted through Ray Marks, Extension Chairman, Lions International 201 C1. His contact details are: P 8261 5956, Email: raymarks@affordableprint.com.au.

Some More Details

This initiative by Lions is the culmination of a considerable amount of work and time expended by members of the Executive of the Mawson Lakes Progress Association and Ray Marks to get the concept off the ground.

The first stage was the formation of the Students Network and they recently held an extremely successfully quiz afternoon and

Some information about "Carols by the Lake"

Tracy Atkins, Delfin Community Liaison Officer and Therese Abraham, Worship Co-ordinator at Mawson Lakes Community Church have been meeting since July this year to plan the event.

In the last 6 weeks leading up to the event the Carols committee consisting of Liz Murgia from Mawson Lakes School, Therese Abraham, Tracy Atkins, a representative from Lions International and Julie Freundt from Endeavour College have met fortnightly to finalise plans.

This year we have Adelaide Comedian Jason Pestell presenting some Christmas stand up comedy and party band "Silverhair" featuring the deputy principal at Endeavour College as part of the evenings entertainment.

7500 Flyers were distributed to advertise the event, which is hoped to attract in excess of 700 people.

Well done to all involved.

Chairman's Report

The editor has given his thanks to the people and organisations that have helped us to produce a publication that we can all be proud of. I would also like to thank some people. If I miss somebody it does not diminish their help it shows how many memory cells I have missing.

The assistance and advice given by the staff as Salisbury Council, in particular, Michael Taggart, has been invaluable and made my role so much easier. The cooperation from the staff at Delfin in the provision of information and prompt response to questions was great.

Most of all, the response from the Executive and the community has been tremendous and a great deal more than I expected when I was elected to the position. I suggest that anybody wishing to lend some of their time to the planned projects in the new year will be well rewarded by just working with these wonderful people.

One of our major projects for the next year will be a mid-year Charity Ball. So you might like to make plans to visit EFM to make sure that you can fit into your formal wear by June/July.

During this past year I have worked with various members of our community in developing a vision for a community organisation to promote sports and recreation and start lobbying for the development of a Sports Precinct. This month the Mawson Lakes Sport and Recreation Association was formed. There will be more detail in the February 2006 edition of the Lakesider.

Some 12 months ago I started a quest to obtain funding from the Community Trust Fund for a pontoon that could be used all year round by those clubs that are involved in aquatics. This month it was finally installed and works well, a worthwhile outcome.

I take this opportunity to wish all in our community a safe and peaceful Christmas and a new year that is happy and prosperous. Remember this season is for the children, too.

Beach Volleyball @ Mawson Lakes

On 22 November 2005 with a clear blue sky and bright sun overhead 60 invited guests were present at the new Mawson Lakes City Beach Volleyball Courts on The Mawson Lakes Boulevard. Bright yellow caps were handed out on entry, which helped, as the sun was quite hot. Minister Michael Wright ably assisted by Mayor of Salisbury, Tony Zappia declared the City Beach Volleyball Courts, Mawson Lakes, officially opened; several senior players were present including South Australian Olympians Andrew Schatt and Josh Slack. Players from Mawson Lakes School and Endeavour College enjoyed a game on the new sand.
